

We are grateful for the support that you and all of our other customers give to {#COMPANYNAME}. Support is a two-way street and we like to 'give back' to the community. {#CHARITYPOLLNAME} is a way for you to help your favorite organization by means of a friendly competition between the supporters of three local community groups. {#COMPANYNAME} will donate to each charity based on what place they come in at the end of {#CHARITYPOLLENDDATE}.

- 3rd: {#3rdamount}

Rules

- Voting: 1 vote per day per person
- Votes with unverified emails will not be counted.
- One person cannot vote for other people. Play fair. It's okay if one person votes for family members, but not for multiple people (this is tracked and votes will be disregarded if this is done.)
